PROFESSIONAL SUMMARY

HND in Information Technology student with a strong interest in cloud computing, Python programming, and automation. Comfortable using Git and GitHub for version control, and experienced in building practical scripts and tools to solve real, everyday problems. A fast learner with a problem-solving mindset and a genuine enthusiasm for technology, currently building foundational skills in AWS and Azure while seeking an internship or entry-level opportunity to grow within the IT industry.

EDUCATION

Higher National Diploma (HND) in Information Technology

Current Student

[Add Your Institute Name] • Expected Graduation: [Add Year]

Relevant coursework: Programming Fundamentals, Database Systems, Computer Networks, Operating Systems, Software Engineering, Cloud Computing Fundamentals.

TECHNICAL SKILLS

Programming Languages: Python, HTML5, CSS3, JavaScript (Learning)

Cloud Technologies: Amazon Web Services / AWS (Learning), Microsoft Azure (Learning)

Tools & Platforms: Git, GitHub, Visual Studio Code, Docker (Learning)

Operating Systems: Windows, Linux (Basic)

Other Skills: Automation, File Management, Networking Fundamentals, AI Productivity Tools, Problem Solving, Team Collaboration, Time Management

ACADEMIC & PERSONAL PROJECTS

Advanced File Organizer

Python

- Built a Python application that automatically organizes files into folders based on file type, improving desktop and storage organization.

Duplicate File Finder

Python

- Developed a desktop utility that detects duplicate files using file-hashing techniques to help optimize storage management.

Python Automation Scripts

Python

- Created a collection of automation scripts to improve productivity and simplify repetitive computing tasks.

Professional GitHub Profile

- Created and customized a professional GitHub profile to showcase projects, technical skills, and ongoing learning progress.

LEARNING & DEVELOPMENT

Actively learning: AWS Cloud, Microsoft Azure, Docker, DevOps Fundamentals, Linux Administration, Cloud Architecture, Networking, and Modern Web Development.

CURRENTLY PREPARING FOR

- AWS Certified Cloud Practitioner
- Microsoft Azure Fundamentals (AZ-900)

SOFT SKILLS

Problem Solving • Analytical Thinking • Communication • Adaptability • Teamwork • Continuous Learning • Attention to Detail • Time Management • Self-Motivation

LANGUAGES & INTERESTS

Languages: English, Tamil

Interests: Cloud Computing, Python Development, Automation, Artificial Intelligence, Technology, Open Source, Networking, Cybersecurity
